*Connecting Transcona Green Spaces*

**Transcona Trails Association  
Aims:**

- provide trails in Transcona for wildlife and recreational use:

- walking
- cycling
- jogging
- bird watching
- dog walking

- use minimal environmental impact to create this trail system.

- increase awareness of the parks and green spaces in Transcona

**Membership**

Your annual membership shows your support for the trails and entitles you to vote at meetings. Membership fees and donations will be used for trail development and maintenance, and for operating expenses including printing and postage. Private donations from citizens multiply by helping us gain grant funding.
